## **The Canadian Student Leader Awards**

CSLA is pleased to offer up to twelve \$500.00 annual student awards to exemplary student leaders from across Canada. The aim of these awards is to recognize outstanding achievement and contribution to student leadership in secondary schools and communities across Canada. The highest ranking student leader will be awarded the Bill Conconi Award, a \$1000 bursary. These awards are the highest recognition CSLA gives to student leaders in Canada.

There will be a Canadian Student Leader Award offered to one deserving student from each province, the territories, and one discretionary award. In the event that there is no eligible applicant from a province or the territories, the CSLA Board of Directors will, at their discretion, award additional discretionary awards as is deemed merited.
